# Key Metrics

**Endowment Pool of \$7.5 million [B-2]**  
*approx. \$14 million in deferred commitments*

**87.7% Freshman to Sophomore Retention Ratio [B-6]**

**77.27% Six-Year Graduation Ratio [B-7]**

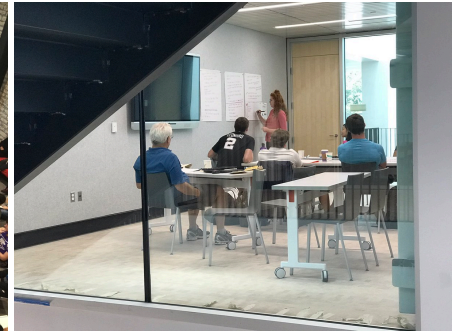

**Graduated 8 from Environmental Design & Planning PhD Program since 2012 [B-5]**

# Priorities Moving Forward

Understand the pending Visionary Plan Update Process and begin planning within the college for necessary updates.

Continue development efforts inline with new I&I Campaign goal of \$44 million.

We continue working to improve our enrollment management strategies and researching the possibility of a levelized tuition rate within the college.

# Priorities Moving Forward

Continue to grow our post-baccalaureate programs.

Grow opportunities for student engagement with the profession.

Continue building industry ties in growing sustained philanthropic program support.

Support faculty and student opportunities for RSCAD recognition.

Build our recruiting base in underserved communities (eg. KCK, Garden City).

# Architecture

## *Priorities Moving Forward*

---

Utilization of Fab Lab in curriculum for hands on learning

Enhanced student opportunities (service learning, fall Italy + internship, collaboration with profession)

Refined MS ARCH program with connections to KCDC

Continued build up of post baccalaureate program

More flexible design studio options (summer studios)

Collaboration with other departments

Accelerate introduction of digital tools

Increasing recognition of programs, faculty, and facility nationally and internationally

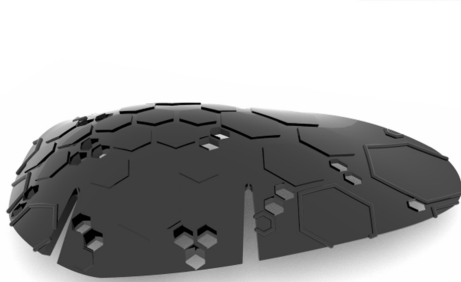

# Interior Architecture & Product Design

*Priorities Moving Forward*

Launch a Masters of Product Design.

Work with the Dean's office to establish an Endowed Chair and Professorship.

Continue partnerships with manufacturers, professional organizations and community programs.

# Landscape Architecture and Regional & Community Planning

## *Priorities Moving Forward*

**Implement** new innovative landscape architecture curriculum.

**Recruit** new faculty with expertise in digital workflow and housing.

**Continue development** of RSCA connected to professional practice and new APDesign facilities like the Jarvis Chairs focused on:

*2015 – 2018 Green roof research*

*2018 – 2021 Materials lab and fabrication*

**Establish** additional endowments for faculty and student support.
