Message from the Department Head

Greetings from mid-June. It seems that just when things are all set, the road turns really quickly, and you are off. Mr. Predock was very close to being our Regnier Chair, but unfortunately his schedule made it impossible. After some discussions with Victor, it appears that Steven Ehrlich is very close to being on board. Check out their web site for some fine work: <http://www.s-ehrich.com>. We will keep you updated.

Todd and I met with the summer Bridge Studio students last week for lunch. They are an energetic bunch with a lot of interest in architecture. If you are in Seaton this summer don't be afraid to stop by and say hello. I am sure Jon will not mind.

Tim and I played in the HTK Architects golf tournament on Friday. It was good to see so many of our graduates playing or helping out with the event. Unfortunately, the tournament was held in KU country, but our purple shirts looked awesome and improved the landscape dramatically. I will also update you on the faculty staff golf tournament held out at Colbert Hills a few weeks ago. The team of de Noble, Knox, Howe and Sachs looked like the team to beat on the first tee, but after donating numerous golf balls to those large areas around the fairway, we were not even close to winning. We did however, survive the brief thunderstorm that passed over head.

The signing of Ennead and BNIM is still not final. Given the slowness of getting started it should make it interesting once it begins. My hope is that we can find a large temporary space to
