## Green Roofs and Green Infrastructure In Manhattan, KS

**Lee Skabelund**

KSU Department of Architecture and  
Regional & Community Planning

**Tuesday, September 13**

**7:00 -8:00 PM**

**Radina's Coffeehouse and Roastery**  
616 N. Manhattan Ave.

Learning from interdisciplinary green roof and green infrastructure monitoring programs involving faculty from landscape architecture, engineering, and the sciences can lead to improved green infrastructure planning, design, and management -- and help create more diverse, resilient, and cost-effective landscape systems.

Gary Hilderbrand on display!

Do you know this about Weigel Library?

One patron was surprised at the wide range of topics covered by Weigel resources. There are even children's books in Weigel Library!

Another patron was pleased to learn that a Hale book can be sent to Weigel saving time and steps. Ask the Weigel staff how to complete that request.

#### **IAPD Field Trip Destinations!**

Wishing our students safe, informative, but enjoyable ventures.

#### **Fall Graduate Workshop Series**

Join K-State Libraries for "The Library and Your Research," a free, semester long workshop series co-sponsored by the Graduate Student Council to help graduate students enhance and professionalize their scholarly pursuits.

#### **Starting Your Literature Review**

Are you preparing a literature review for a paper, article, thesis or dissertation? This workshop will help you! Learn why a literature review is important; how to use K-State Libraries' databases to select articles; how to evaluate the articles; and how to organize the review.
