interior architecture & product design

IAPD students Jamie Causey and August Atzenweiler plant an engineered tree in an outdoor research area at OFS Brands headquarters in Huntingburg, Indiana.

Students visit OFS Brands headquarters

Eight IAPD students, including August Atzenweiler, Jamie Causey, Marina Dennis, Rebecca Keating, Lance Maine, Hana Robinson, Elizabeth Witsken, and Malia Young along with professor Neal Hubbell and department head Nathan Howe traveled to OFS Brands, a manufacturing company, in Huntingburg, Indiana on September 24. The Production Furniture for the Contract Market Research class spent two days touring the facility and learning about the company. Students also presented on their market research findings to OFS representatives along with a presentation given by professor Hubbell on the IAPD design process.

APDESIGN FABRICATION LABS UPDATE

Thank you all for your patience waiting for the new Fab Labs to be fully operational. There is still some fine tuning to do, but we are getting very close! The Large CNC router, and Plasma CNC are yet to be operational. Univerisity plumbers are making final connections today and tomorrow. If you have questions about CNC operation, email Richard Thompson (rht@ksu.edu).

Fabrication Labs Orientation and Training for individual students will start later this week. Keep an eye out for an email with a link to the online signup and updated policies. This will cover a general overview of the spaces and equipment, as well as a hands-on training for basic woodworking machines.

The Spray Finish Lab is operational. This is where all spraying of paint, finishes, glue, and fixative must occur. Training is required for use of this space and will also be covered in the Fabrication labs Orientation and Training. If you have immediate needs for the spray booth, prior to training being scheduled, contact one of the shop technicians.

If you have an entire class that needs training for either of the spaces, please email Richard Thompson (rht@ksu.edu) to schedule a time.

If you need help with any fabrication project (designing or building) do not be afraid to come find a shop technician anytime from 8am-5:30pm M-F.

Richard Thompson (rht@ksu.edu - 0079B)

Shaun Troyer (stroyer@ksu.edu - 0079A)

We generally have student assistants available to help as well.

Best,
Richard

WEIGEL LIBRARY - THIRD FLOOR TIDBITS

The Weigel move has begun!

Weigel will be closed until further notice! Wish us luck and thanks in advance for your cooperation.

It will be absolutely necessary for Weigel to be closed to all patrons and transactions during these days of relocation and reorganization so the movers and library staff can work as quickly and efficiently as possible without interruption both upstairs and in the basement. Please be patient. Since the move is taking place now during the academic year it is our goal to complete this process in as few days as possible.

If you have questions, please contact Maxine (miganske@ksu.edu, 532-5978, Seaton 3033).

IIDA DESIGN WARS 2017

Friday, October 6, 10:00 AM - 5:00 PM in Kansas City

The 5th Annual IIDA Student Design Wars will challenge teams of students to imagine a creative design for an existing interior space in Kansas City. Each team will have 3 hours to complete hand-drawings and sketches, provide concept images, put together a presentation and then pitch their solutions to a panel of local design professionals. The winning team selected by the panel will split a \$1,000 cash prize!

This event is open to all IAPD students. Students do NOT have to be IIDA student members to participate, and will sign up individually and assigned a team prior to the event.
