SUMMER EMPLOYMENT

We are looking to hire a few student employees in **CNS** and the **APDesign Shop** for this summer!

We are especially interested in hiring equal representation across the college disciplines.

This summer promises to be very dynamic!

Interest in Computer Network Services:

1. If you are proficient in computing and other tech, are seeking flexible hours, and need experience for resume building, please consider applying.

Be advised, in addition to technology support and deployment, there is physical labor associated with these positions. You may be asked to move computers, scanners, printers, etc.

Please submit an application and letter of interest via email to: apdcns@ksu.edu

Interest in APDesign Shop:

The college shop is looking for part time to full time help for the moving of Seaton Hall and other shop/building related projects. If interested please contact Richard Thompson rht@ksu.edu for more details.

Have fabrication needs? If you have plans for using the college shop (specifically the CNC router or CNC Plasma cutter) it is encouraged to speak with Richard Thompson (rht@ksu.edu) ASAP. In the past these machines get booked up towards the

DISTINGUISHED LECTURE - IAPD NATHALIE ROZENCWAJG APRIL 21, AT 4PM - UNION LITTLE THEATER

Nathalie Rozencwajg is director of RARE an office for research, architecture and experimentation based in Paris and London. After graduating from the Architectural Association School of Architecture in London in 2001, and working in international practices, she cofounded RARE in 2005. The office emphasizes work at different scales integrating research and design. RARE was awarded the RIBA 2011 award and the RICS Project of the Year Award for Town Hotel Hotel in London and is currently working on large-scale projects exploring advanced fabrication methods. In parallel, the office pursues the design and manufacturing of furniture and object collections. The work of RARE has been featured in a number of publications worldwide.

Nathalie has been commended as emerging women architect by the AJ award in 2012.

In addition to practice, Nathalie has been Unit Master at the Architectural Association since 2004 where she teaches a studio together with Michel da Costa Gonçalves. She is an invited critic and conducts workshops worldwide.
