leading design firm of sports and convention facilities. His design portfolio includes the Sprint Center in Kansas City, Missouri, Intrust Bank Arena in Wichita, Kansas, and new arenas for the Pittsburgh Penguins, the Houston Rockets, Orlando Magic and Atlanta Hawks. His K-State projects include expansions of Bill Snyder Family Stadium and the Ioe Family Basketball Center.

Martin has been involved with K-State as a member and chair of the Dean's Advisory Council for the College of Architecture, Planning and Design and the KSU Foundation Board of Trustees. Additionally, Martin and his wife, Renay, endowed a scholarship for worthy students from smaller Kansas communities to study architecture. They have two children, Ryan and Rhys. Ryan graduated from K-State in 2004. Martin also served on the Foundation Board of the International Association of Venue Managers and lent his support to such community causes as the Leukemia & Lymphoma Society, YMCA Challenger Program and Wayside Waifs. Martin earned a bachelor's degree in architecture from K-State in 1976.

Full & Part Time Positions Available

APDesign is looking for motivated hard working students to help with our transition into the NEW BUILDING! You will be working with Richard Thompson and Shaun Troyer (shop staff) to help organize, pack, unpack, and prepare our new spaces. A professional moving crew will be hired to do the bulk of the heavy moving.

Full and part time positions are available. For part time we would prefer either mornings or afternoons (4 hour blocks of time), 5 days a week. Working the first half or second half of the summer could also be an option.

If you are interested in working for the college this summer please email [Richard Thompson \(rht@ksu.edu\)](mailto:rht@ksu.edu) for more information.
