## Ekdahl Lecture Series

**Marlon Blackwell, FAIA,**  
April 4, 2018 | 4:30PM,  
Regnier Forum

Lecture Title: Abstraction in a  
Landscape of Unholy  
Unions.

Marlon Blackwell, FAIA, is a practicing architect in Fayetteville, Arkansas, and serves as the E. Fay Jones Distinguished Professor at the Fay Jones School of Architecture + Design at the University of Arkansas. Working outside the architectural mainstream, his architecture is based in design strategies that draw upon vernaculars, typologies, and the contradictions of place: strategies that seek to transgress conventional boundaries for architecture. His design work has received recognition with numerous national and international design awards and significant publication in books, architectural journals and magazines.
