While we are anxious to have everyone back in the fold of APDesign, we are also anxious to get our swing space, APDesign West, in complete working order as the semester rapidly approaches. This summer has seen a flurry of activity both in Seaton, in anticipation of decommissioning East Seaton, and at APDesign West. Our crews in Seaton have been busy triaging furniture and equipment for use at APDesign West, warehousing artifacts and high-quality materials, and

sending many an item to surplus. At times like this I am reminded how a move forces us into a much-needed purge. Any hoarder tendencies I had are effectively exorcised at this point!

We are planning on having APDesign West (5970 Executive Court) ready for student move-in on Friday -Sunday, August 21st- 23rd. Doors will be open from 8:00AM-8:00PM.

However, do not arrive thinking that everything will be in perfect order and that all systems will be operational. We will need to execute a significant amount of work while the space is occupied. Unfortunately, in that we were at the mercy of the State of Kansas budgeting process, we were not given the go-ahead on preparing our spaces until after the budget was signed by the Governor in late June. APDesign West + Reserves = longer loan period!

Due to the relocation of studios and classrooms to APDesign West, longer checkout periods for reserves will be necessary. Therefore course reserves have now been set up with 1-day loan periods.

However, class size, class location within Seaton or on campus and the use of reserves for your class could make a difference in your course reserves loan period.

Other loan period options from which to choose are 2-hour (open or closed), 4-hour, 3-day, and 7-day.

Please notify Maxine as soon as possible (prior to the start of classes) regarding your course reserves information. 532-5978, or mlganske@ksu.edu or in Weigel (Seaton 323).
